

## PUBLIC NOTICE

Eastman Chemical Company - Tennessee Operations has applied to the Tennessee Air Pollution Control Division (TAPCD) for [renewal of five \(5\) major source operating permits](#) subject to the provisions of paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations (also frequently referred to as Title V regulations). Major source (Title V) operating permits are required by both the Federal Clean Air Act and the Tennessee Air Pollution Control Regulations.

Also, Eastman Chemical Company - Tennessee Operations has applied to the TAPCD for renewal of a Nitrogen Oxides (NO<sub>x</sub>) Budget Trading Program permit subject to the provisions of rule 1200-3-27-.06 (NO<sub>x</sub> Budget Trading Program regulations) and paragraph 1200-3-9-.02(11) of the Tennessee Air Pollution Control Regulations. A NO<sub>x</sub> Budget Trading Program permit is required by both Federal and Tennessee Air Pollution Control Regulations. The NO<sub>x</sub> Budget Trading Program regulations, which affect nine (9) coal fired boilers (units) at the facility, restrict NO<sub>x</sub> emissions from affected units during the NO<sub>x</sub> SIP call ozone season (May 1 through September 30 of each year). The NO<sub>x</sub> Budget Trading Program renewal permit affects seven (7) units and is included in the renewal major source operating permit (MSOP) number 557888 (MSOP-02).

**The applicant is Eastman Chemical Company - Tennessee Operations with a site address of South Eastman Road, Kingsport, TN. They seek to obtain renewal of five (5) major source operating permits and a NO<sub>x</sub> Budget Trading Program permit for the manufacturing and refining of organic chemicals. However, it should be noted that this facility has current major source operating permits and NO<sub>x</sub> Budget Trading Program permits.**

Copies of the application materials used by the TAPCD and copies of the draft renewal permits are available for public inspection during normal business hours at the following locations:

Kingsport Public Library  
400 Broad Street  
Kingsport, TN 37660-4292

and

Tennessee Department of Environment and Conservation  
Division of Air Pollution Control  
9th Floor, L & C Annex  
401 Church Street  
Nashville, TN 37243-1531

Also, if you require a copy of the draft permits, they are available electronically by accessing the TDEC internet site located at:

<http://www.tdec.net/apc/ppo/>

Interested parties are invited to review these materials and comment. In addition, a public hearing may be requested at which written or oral presentations may be made. To be considered, written comments or requests for a public hearing must be made within thirty (30) days of the date of this notice and should be addressed to **Mr. Barry R. Stephens, P.E., Technical Secretary, Tennessee Air Pollution Control Board, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531**. Questions concerning this source may be addressed to John Trimmer at the same address or by calling (615)-532-0552. A final determination will be made after weighing all relevant comments.

Individuals with disabilities who wish to review information maintained at the above-mentioned depositories should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such review. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period.
